

Amendments to draft resolution "Opposing the discrimination against Disabled People"

Nº	Party	Line	Action	Current Text	Proposed Amendment	Explanation/Comment
1	Miljöpartiet de Gröna	1-58	delete			
2	Bündnis 90/Die Grünen	1	revise		We suggest to give the resolution draft to a working group on European social policy composed of interested individuals to develop a broad draft on social policy, including different aspects.	We find the draft needs through revision and the topic needs to be embedded in a broader context.
3	FYEG	1	replace everywhere	"disabled people"	"people/persons with disabilities"	people-first language, usually used by UN, CoE etc. (there are different opinions on this though - identity first is I think more common in UK, if this is a resolution tabled by someone with a disability then we could maybe have a discussion on this on the spot and have the other options mentioned in the footnote)
4	FYEG	11	replace	"brother against brother"	"sibling against sibling"	gender neutral
5	FYEG	17	replace	nations	states	
6	Die Grünen	29	add		As Greens we have to ensure that the UN Convention is not only signed in all countries, but also put into action. A report on the actual implementation must also be drawn up regularly in the EGP in order to increase the pressure on the individual countries.	
7	FYEG	36-37	replace	"Convention on the Rights of Disabled People (UNCRPD)"	"UN Convention on the Rights of People with Disabilities"	this is the official term
