

Proposal to formalise the Amendments Committee

Introduction

The Madrid Council (May 2013) agreed to install an Amendments Committee (AMC) to help the Committee to prepare the voting session at the Council and by that creating more time for discussions.

The EGP Committee is organising the election at the Zagreb Council of 3 members for the Amendments Committee from the member parties; for a period of 3 years.

Vote

The Zagreb Council will need to formally vote on installing the Amendments Committee as an EGP body for which a 3/4 majority of the allocated votes is required, according to the EGP Statutes Art. 6.1.6.

Further Follow up

To finalise the formalisation of the AMC, the EGP Committee will present draft rules and procedures for its functioning, to be included in the EGP Rule Book, for the vote at the Autumn Council, 13-15 November 2015.
