

Amendment to the minutes of the 26th Council in Liverpool

Amendment of De Groenen:

Page 1, (1) Introduction

The second sentence of the first paragraph reads now:

She explains that the vote on the changes of the Statutes of EGP (as amended last time at the Autumn Council 2016 in Liverpool, 2-4 December 2016)

Change this line into:

She explains that the vote on the changes of the Statutes of EGP (as amended last time at the Autumn Council 2016 in Glasgow, 2-4 December 2016)

Motivation:

The council where the speaker referred to took place in Glasgow, not Liverpool. It is confusing to mention that wrongly.
