Proposal to the Liverpool Council in view of the adoption of the Accounts 2016

In general, the EGP spring Council approves the Accounts of the preceding year. This 26th Council is taking place in the framework of the 5th EGP Congress, Liverpool, 30 March - 2 April 2017.

However, the Accounts 2016 won't be audited by the end of March 2017. Therefore, the EGP Committee proposes to the Council to mandate the Committee to provisionally adopt the Accounts of 2016 within the Committee meeting of 5-6 May 2017.

The delegates are to be informed via the delegates mailing and they will receive all relevant papers by mid-May 2017.

The final decision and adoption of the Accounts 2016 will be brought to the vote at the 27th Autumn Council, 24-26 November 2017.
