Finance Advisory Board (FAB) Annual Report 2021

Activities

The FAB was kept informed about the discussions and activities of EGP Committee by being included in receiving written reports of these meetings.

FAB members followed the online voting processes going on at virtual Council meetings.

The FAB had an online meeting with the treasurer on 18th May 2021 to discuss the revision of the EU regulation on financing of political parties.

Compliance

As it is compulsory for the FAB to report annually about compliance according to Article 7.1 of the EGP Statutes, the Finance Advisory Board confirms, based on the information we have, that the European Green Party has acted in accordance with its statutes and rule book.

Accounts

The FAB did not perform any physical checks regarding the 2021 accounts.

The FAB took notice of the Balance sheet and the Profit & Loss statement of the EGP for the year ended December 31st, 2021, and of the reporting of the 2021 incomes and expenses (Budget actual 2021) which were presented by and discussed with the treasurer Ute Michel.

Findings

Based on the documents presented and the explanations obtained, the FAB has no objection regarding the 2021 accounts.

Recommendation to the Council

The Finance Advisory Board recommends to the Council to formally approve the 2021 accounts.

The Finance Advisory Board also recommends to the Council to approve the “Resolution Regarding non-EU membership fees” in order to comply to European Parliament regulations.

Thanks

We thank the treasurer Ute Michel and the staff for the valuable input and guidance over the past year.
