

Regarding the Presidium for the 6th Congress

The current rules in the Rule Book stipulate:

12.4 The rules regarding the conduct and proceedings of the Congress are to be voted on at the Council preceding the Congress in so-called Congress regulations. Furthermore the preceding Council shall vote on the proposed allocation of delegates. *Each Congress the Committee will appoint several experienced party members into a Congress Presidium which will be responsible for the correct proceedings and regulations during the Congress and which will allocate the speaking time in cooperation with the Chair and the Co-Chair. **The Committee will propose the Congress Presidium to the Council preceding the Congress***

However, due to the election of the new Committee and the still uncertain physical events trajectory till December 2022, the current Committee proposes that the Riga Council delegates give the mandate to the new Committee to nominate 4 people for the Presidium of the 6th EGP Congress.

These nominations will be available as a draft resolution for the Congress in due deadline 6 weeks ahead of the Congress. Deadline for Member parties to table amendments will be 3 weeks before the Congress.

The Committee could then make any needed corrections till the Congress and a vote for adoption will take place at the beginning of the Congress.

The nominated people will need to have a certain level of experience, with the whole Presidium composition being geographically balanced and in accordance with the EGP Gender rule.

The 35th EGP Council decides to mandate the newly elected EGP Committee to nominate 4 people for the Presidium of the 6th EGP Congress, Copenhagen, 2-4 December 2022, according to the process and criteria stipulated above.
