

Draft resolution for co-opting one AMC member (TBC)

3 The current Amendments Committee (AMC) is composed of 6 members elected for a
4 mandate of three years, consisting of:

5 From EGP Committee: Mar Garcia, Mélanie Vogel, Oras Tynkkynen (elected in
6 Tampere November 2019)

7 From EGP Member parties: Sam Murray, Janik Feuerhahn and Benedetta de
8 Marte (elected in the online 33rd Council, May 2021)

9 In case Benedetta de Marte is elected as Secretary General, or as a member of the Committee,

10 we see the need to replace 1 member of AMC on the side of the Member parties to allow the proper
11 functioning of AMC towards and at the 6th EGP Congress in December.

12 Therefore, if Benedetta De Marte is elected as a Secretary General or as a member of the Committee, the
13 35th EGP Council decides:

14 To co-opt one member for AMC from the member parties, until the end and at
15 the 6th Congress in December 2022.

16 Taking into account that the Committee members in AMC will also (partially)
17 change after the Committee elections in Riga, respecting Gender balance and
18 considering a very experienced person, the proposal for co-option is: Alex
19 Medwedeff, from the Austrian Greens – who was a long standing member of the AMC
20 with full understanding of EGP and AMC roles and responsibilities.

21 To ask the new Committee to organise the election of a new member at the
22 6th Congress to join AMC until the end of its mandate.
