

# Draft

**Title:** **Draft resolution for co-opting one AMC member (TBC)**

**Tabled by:** EGP Committee

## Draft text

1 The current Amendments Committee (AMC) is composed of 6 members elected for a  
2 mandate of three years, consisting of:

- 3 • From EGP Committee: Mar Garcia, Mélanie Vogel, Oras Tynkkynen (elected in  
4 Tampere November 2019)
- 5 • From EGP Member parties: Sam Murray, Janik Feuerhahn and Benedetta de  
6 Marte (elected in the online 33<sup>rd</sup> Council, May 2021)

7 In case Benedetta de Marte is elected as Secretary General, we see the need to  
8 replace 1 member of AMC on the side of the Member parties to allow the proper  
9 functioning of AMC towards and at the 6<sup>th</sup> EGP Congress in December.

10 Therefore, the 35<sup>th</sup> EGP Council decides:

- 11 • To co-opt one member for AMC from the member parties, until the end and at  
12 the 6<sup>th</sup> Congress in December 2022.

13 Taking into account that the Committee members in AMC will also (partially)  
14 change after the Committee elections in Riga, respecting Gender balance and  
15 considering a very experienced person, the proposal for co-option is: Alex  
16 Medwedeff, from the Austrian Greens – who was a long standing member of the  
17 AMC with full understanding of EGP and AMC roles and responsibilities.

- 18
- 19
- To ask the new Committee to organise the election of a new member at the 6<sup>th</sup> Congress to join AMC until the end of its mandate.
