

European Green Party/EFGP_{aisbl}
6th COUNCIL MEETING
Berlin, 16-18 March 2007

Adopted resolution

Release the Italian reporter Daniele Mastrogiacomo and all prisoners of political factions.

It is our governments' duty to protect the lives of all citizens, their freedom and integrity. This is true especially for those citizens who spend their lives in pursuit of values such as justice, equality, and freedom of information in countries where these values are constantly at risk.

We, the European Green Parties, urge our governments to make their best efforts in order to release Ingrid Betancourt, Daniele Mastrogiacomo and all the people held as hostages in the world.
